

REMARKS

Claims 1-7 are originally pending in the application, following the cancellation of claims 8-29. Claim 30 has been added as dependent on claim 7, in order to round out the protection to which Applicants believe they are entitled. Thus, claims 1-7 and 30 remain in the present application.

The specification has been amended in accordance with amendments made in the parent cases. Further, revised figures, which had been submitted on January 5, 2004 and approved in the parent case (see Office Action dated April 19, 2004), are hereby submitted. No new matter has been added.

Entry and consideration of this Amendment are respectfully requested.

Respectfully submitted,
